

Feb 2012 Journal.

At our Christmas Lunch The South East Section awarded the Club Man and Club Lady of the Year to Kelvin and Paula Duff. The Runners Up were, Ron Rugman and Linda Thomas. Unfortunately Linda was not able to attend.

These were awarded according to points accrued by attending Meets and Runs so no surprise that a couple always out together should get top marks. This year we gave bonus points to those who lead runs, Ron, especially prominent as a willing and competent leader and extra points for attending National events.

Linda managed Club lady Runner Up before a minor "accident" kept herself and Alan off the road for a few weeks, glad to see her back on as soon as she was able, grit and determination there then. A close run thing.

The Chairman's Shield was awarded to Rosemary Warner as thanks for all the hard work she has put in for the club during 2010 and 2011, organizing social events, and cooking cakes etc which we have all enjoyed.

Brenda was presented with a potted Lilly in appreciation of her general help with social events and particularly how she collects cash for our raffle each night, usually as they come through the door!

Elaine Bronger, our Treasurer for many years was also awarded the same for her service to the section, unfortunately our stand in photographer was still holding her flowers so missed the pic.

Well Done to all these people.
